

ALL SERVICES ARE CONFIDENTIAL!

The Redwood Community Health Coalition (RCHC) is a network of community health centers and clinics dedicated to providing high quality, affordable health services to families and children.

RCHC health centers and clinics render over 500,000 patient visits annually. Our health centers serve as the medical homes to over 160,000 people in our service area, which includes the counties of Marin, Napa, Sonoma and Yolo.

Our health centers accept Medi-Cal, Healthy Families, as well as other types of public and private health insurance. We also provide sliding-fee scale services for uninsured patients.

RCHC health centers specialize in providing prevention and primary health care services, such as:

- Immunizations - Adult & Childhood
- Physical Exams - School, Sports and Employment
- Women’s Services, Family Planning, Prenatal Care & WIC
- Chronic Disease Management
- Dental Care
- Senior Services
- HIV Screening
- Mental Health Services, including Counseling Services
- Behavioral Health Services, including Alcohol and Drug Addiction Treatment

We provide a wide range of services, but not all services are available at every location. Please contact your nearest health center to inquire about available services.
