

## Primary Care Physician Opportunity

CommuniCare Health Centers is a non-profit community clinic system providing medical, dental, substance abuse treatment counseling, and outreach services to low income, uninsured residents of Yolo County (California). For 35 years, CommuniCare Health Centers has offered underserved residents of our area an alternative to untreated illnesses and emergency room care. CommuniCare's mission is to provide high quality health care services to low income, multi-ethnic uninsured and underinsured populations of the communities we serve emphasizing health education and preventative health care in all of our programs and services.

We are currently seeking applications from Full and Part-Time Physicians who are interested in being considered for opportunities at our clinics West Sacramento, Woodland, and Davis, California. At CommuniCare the benefits of our work environment include:

- A patient centered, collaborative team approach which includes physicians and midlevel providers as well as a fully bilingual support staff.
- Modern clinic facilities and equipment appropriate to primary care
- Opportunities for teaching Family Practice residents, medical students, and Family Nurse Practitioner/Physician Assistant students in primary care clinics. Many of our physicians are on the faculty of U.C. Davis Medical Center, the primary safety net provider for the Sacramento Capital Region.
- State-of-the-art access to online medical reference system
- Specialty clinic support in Dermatology, Ophthalmology, OB/GYN, ENT, and other areas
- Abundant opportunities to participate in free CME training
- Multiple ancillary programs to assist in the holistic primary care our patients, including a full-time case manager, collaborative chronic disease management support staff, patient advocates, patient education and community outreach staff, and facilitators for group medical appointments.

We offer a highly competitive compensation and benefits package including medical, dental, and vision insurance, a top tier pension plan, \$1,500/yr for CME, and generous Paid Time Off allowance. In addition, our region offers a number of great amenities including easy proximity to San Francisco and Lake Tahoe, world class education and research, and one of the most creative and diverse populations in the U.S.

For immediate consideration please forward a cover letter and vita outlining your interest to Michael Scott, Human Resources Director, Communicare Health Centers
