

**Southwest Community Health Center
Santa Rosa, California
Position Announcement**

FAMILY PRACTICE PHYSICIAN WITH OB

Seeking full-time Family Practice Physician with OB experience to work in a thriving community health center in Sonoma County. Come to the wine country and join a growing primary care team where Family Physicians are doing C-sections, teaching at a residency, and working with a culturally diverse population. Spanish speaking and strong OB background required; experience preferred. Learn more about us at www.swhealthcenter.org.

Job Description

Function: The staff physician provides high quality medical care for health center patients, both in the health center and in the hospital.

Specific Tasks/Duties:

- Provides for the diagnosis and treatment of health center patients within the scope of his/her license to practice medicine.
 - Provides follow-up on patients seen including chart notations, lab review, and referrals to specialists.
 - Participates in provider meetings, quality assurance projects, OB review meeting, and other professional activities as requested by the Medical Director.
 - Meets regularly with the Medical Director to review patient care issues and provides input into the development of treatment guidelines and protocols.
 - Hospital Call: Participates in group OB call for patients at Sutter Medical Center. Call frequency is approximately one day a week (24 hours) and one weekend a month (48 hours) for full-time providers.
 - Provides back-up for mid-level providers on site or by phone during the day or after hours when on call.
 - Provides back-up to the Midwife practitioners in a shared rotation with other physicians.
-

Minimum Qualifications to Apply:

- Active California License and good standing with the Medical Quality Control Board of the State of California.
- Bilingual: fluent in Spanish and English.
- Maintain hospital privileges at Sutter Medical Center.

To Apply: Email resume to apply@swhealthcenter.org or fax 707.303.4833, referencing **OB PHYSICIAN** in the subject field or cover sheet.
